Sub: Approved estimates/ scheme for works being executed on River Kosi Before the floods of 2008 in Nepal portion based on the recommendation of Kosi High Level Committee along with their physical and financial progress report.

Sir,

As you are aware that the flood protection works on river Kosi is being done on the recommendations of Kosi High Level Committee and the amount involved towards the flood protection works on the river in Nepal portion is being reimbursed by Govt of India based on the utilization certificate submitted by Govt. of Bihar for the purpose. The estimate/scheme framed by Govt of Bihar as per recommendations of Kosi High Level Committee for the works to be taken up in Nepal portion before the floods of 2008 has not yet been received in this office.

Further it is to intimate that works as recommended by Kosi High Level Committee might have been started and as such the monthly physical and financial progress report for the works being executed along with photograph may please be sent regularly to this office on priority basis for taking further necessary action in the matter.

It is therefore requested that a copy of the estimate/scheme duly approved by competent authority alongwith relevant drawings for the works being executed on river Kosi in Nepal portion based on the recommendations of Kosi High Level Committee for the protection works to be executed before the floods of 2008 may kindly be sent immediately to this office for taking further necessary action in the matter.

This may be treated as urgent.

Yours Faithfully
